

ICCSAMA 2015

3rd International Conference on Computer Science Applied Mathematics and Applications

General Chair

Prof. Le Thi Hoai An
University of Lorraine, France

General Co-Chairs

Prof. Nguyen Ngoc Thanh
Wroclaw University of Technology,
Poland

Prof. Do Van Tien
Budapest University of Technology
and Economics, Hungary

Program Chairs

Prof. Le Thi Hoai An
University of Lorraine, France

Prof. Pham Dinh Tao
National Institute for Applied
Sciences, Rouen, France

Prof. Nguyen Hung Son
Warsaw University, Poland

Prof. Pham Duc Truong
University of Birmingham, UK

Metz, France, May 11-13, 2015

The main topics are (but not limited to): Artificial intelligence, Intelligent computing, Computer vision and image processing, Numerical analysis, Machine learning: theory, systems and applications, Mathematical programming and optimization: theory, methods and software, Operations research and decision making.

The practical aspects of the previous fields cover a large number of areas such as: Biology and bioinformatics, Communication systems, Economy and finance, Engineering systems, mechanic, manufacturing and robotic systems, Medicine and health care, Network security, Transport logistic, Social network, Supply chain management, production planning and scheduling, Web intelligence and interaction.

IMPORTANT DATES:

Paper submission

January 30, 2015

Final papers to be received

March 1, 2015

The conference proceedings will be published in the series Advances in Intelligent Systems and Computing of Springer-Verlag and indexed by ISI Proceedings, DBLP, Ulrich's, EI-Compendex, SCOPUS, Zentralblatt Math, MetaPress, Springerlink.

ICCSAMA 2015 is organized by **Laboratory of Theoretical and Applied Computer Science LITA**, University of Lorraine, France, in cooperation with Analysis, Design and Development of ICT systems Laboratory, Budapest University of Technology and Economics, Hungary; Division of Knowledge Management Systems, Wroclaw University of Technology, Poland; School of Applied Mathematics and Informatics, Hanoi University of Science and Technology, Vietnam and IEEE SMC Technical Committee on Computational Collective Intelligence.
